

WESTSIDE NEWS

BY DARRYL SEIP

Have you ever felt that life feels.. Off centre, out of balance?

Particularly in this period of history everything's been shaken up. It's a good chance to rethink the way we do a whole lot of things. It would be a shame to let a good crisis go to waste.

They say astronauts in orbit experience the overall effect of seeing earth without its borders and boundaries and they gain this perspective on our world very few humans have ever experienced and it affects them profoundly.

With the benefit of Divine inspiration, The Apostle Paul is able to give us a description of the overall effect of life from God's perspective - that Jesus Christ is actually the centre of the universe and to find balance in life, everything and everyone needs to revolve around him.

Paul addresses this idea JESUS AT THE CENTRE in a little Bible book called Colossians. Whether this idea is a reminder or a reinforcement or brand new information to you, you're going to benefit from reflecting on this truth.

If for you like the people of old, the place of Jesus had become less prominent and he is pushed more to the periphery of life rather than at the centre, why not explore life from a different perspective.

Hope you can join us either ONLINE or ONSITE for.....

GOD AT WORK

WESTSIDE STORIES

SHARE GOD'S GOODNESS WITH YOUR CHURCH FAMILY

We regularly set aside time in our Sunday service to hear what God has been doing in people's lives. See Darryl to share your story.

WHAT IS ON?

We are back in the building for now!

Our church gatherings on site are back on! With current restrictions, we can only sit 60 people in our building. At this point Sunday service attendance is on a 'first in' basis. We will also have an outside overflow area. Church staff continue to follow the latest restriction updates. Look out for emails for future instructions.

Playgroup and English Classes

These services to the community are up and running again, following current Covid restrictions. See Toni or Marie Schwarz if you would like any information on these ministries.

New Service Roster System

All who are involved in Off-Stage duties on a Sunday, are required to come early for a meeting at 8.30am to pray and prepare to serve with the team who are rostered on with you.

Continue to Pray

Our Elders & church community continue to pray for the future of our church and the health and well-being of our local community. If you have prayer requests, please email them to the office.

Strategic Plan Update

Formal discussions have been put on hold for the time being but our Elders continue to discern the future direction of our church.

Staff Leave

Pam Coleman will be taking extended leave from her role in the office from September until the end of the year. We will be looking for a suitable person to fill her role during that time of 16 weeks or so. If you think that you would have the qualifications for that position, please approach Darryl.
