5 THINGS GOD USES TO GROW OUR FAITH

BY DARRYL SEIP

A strong stable unshakable faith in God is powerful. People who allow their faith to influence every facet of their lives seem to be able to rise above difficulties, make good decisions and generally have a positive outlook on life. They are more than Christian in name only. These people reflect the values and example of Jesus himself. So, how do you get it? What's the secret?

Over the years, hearing people's faith stories and observing interactions 5 things keep popping up as the things God uses to turn people's lives around. 5 things that God works with and in and through to help people turn onto their faith for the first time or make their faith come alive again.

There may be more than 5 There may be other things. Bu these 5 tend to be the ones that keep coming up again and again. What are they? You'll have to come along and find out.
